

ABOUT OUR SHOW

The Maker's Hand Artisan Show is presented annually by the Prince Edward County Arts Council. It is a prestigious artisan show and sale featuring both established and up-and-coming artisans from Ontario & Quebec. The show attracts approximately 2000 visitors from Toronto to Ottawa and beyond. Since its inception in 2004, we have received very positive feedback from both exhibitors and customers.

NEW!

2019 will see the show relocated from the community centre in Picton to the newer and larger venue at **Lehigh Arena (formerly Essroc Centre)** (only 20 minutes west of Picton). It is a facility that hosts many County events and is well known to the PEC community. This venue offers enhanced parking and for the first time The Maker's Hand will have available 10'x10' booths. As well, the Highline Hall has lighting that is sufficient so that supplementary lighting may not be necessary. The show runs for three full days, over the first weekend in November with a full set-up on the Thursday prior to opening. The Maker's Hand is composed of approximately 40 booths. Our enthusiastic volunteers are on-site to assist the artisans with set-up and take-down and also for assistance during the course of the show.

A café is on site for snacks, light lunches and coffee during the day. There is an ATM on-site, as well as WIFI.

Please note that the Maker's Hand is not responsible for the ATM or WIFI but will make every effort for the Town to have it in good working condition. The WiFi is an open network and we recommend that you have a backup such as using a cellular network to process a sale in case the WiFi network becomes overwhelmed.

We charge a public entry fee of \$5. There is a floor manager on duty at all times during the show. We do not, however, assume responsibility for any losses incurred but ask that you report any occurrence to show managers immediately.
